50,000 Bushels Seed Cats Ordered From Peace River Country

Jack Crummy Given Farewell Banquet Monday

Jack Crummy of the staff of the Grande Prairie branch of the National Grain Growers' Association, who was being transferred to the city of Edmonton, to which point he has been transferred by his company.

There were over one hundred present. George Chard, who was in the chair, explained that the banquet was just a means of showing appreciation of Jack Crummy, who was being transferred to the city of Edmonton, to which point he has been transferred by his company.

The chairman then called upon Dr. O'Brien to make the address and presentation.

At the outset of his remarks Dr. O'Brien observed that when Jack Crummy took his last trip to the city of Edmonton, he was the last to leave of a group of stirring boys who grew up in the Peace River country.

Referring to Jack Crummy, Dr. O'Brien said: "He leaves with the best wishes of the community and confidence that he will make good."

Dr. O'Brien then presented Jack with a travelling kit which had tucked away inside a goodly sum of the coin of the realm.

Following the presentation everyone joined in singing "For He's a Jolly Good Fellow."

In reply the guest of honor spoke briefly. Referring to the statement of Dr. O'Brien that he was "going" with (Continued on Page Two)

Mrs. Fred Holmes Halcourt, Laid To Rest Wednesday

Many friends from the Grande Prairie and the west district paid their last respects to the late Mrs. Fred Holmes, who died on Wednesday in St. Joseph's Hospital, Grande Prairie, at 10:30 a.m.

Decaned was 65 years of age and was the youngest daughter of sixteen children born to Mr. and Mrs. J. Gravelle, Montreal. With her husband she came to Halcourt in the spring of 1918, becoming invalid five years ago.

Acute illness, she was brought to the Grande Prairie Hospital, where she died on Wednesday at 10:30 a.m.

Interment was in the Catholic cemetery. The family will be held in the home of Mrs. J. Gravelle, Montreal.

Friends of the family were pall bearers at the interment, which took place in the Catholic cemetery.

Charlie Wing Gives Unique Prize For Spirit Bonspiel

One of the most unique and beautiful prizes ever offered at any bonspiel was given as first prize for the Dominion Hotel event in the spirit bonspiel at Spirit River last week by Charlie Wing, proprietor of the hotel.

The prize consisted of four lamps, the bases of which represented four Chinese gods worshipped by the Chinese five hundred years ago. The gods were hand carved by the workman-ship being wonderful.

Mr. Wing sent direct to China for the lamps.

ODDFELLOW AND REBEKAH LODGES ENJOY SOCIAL NIGHT

The L. O. O. F. Hall, Grande Prairie, was the scene of a happy social evening Tuesday when several members of Northern Star Lodge and the City Lodge 135, L. O. O. F., enjoyed fellowship and social enjoyment.

A delicious lunch, served by the ladies, concluded the thoroughly enjoyable evening.

TAKES OVER BARBER SHOP

H. Logan of Edmonton has taken over the barber shop in the Pioneer Block.

In last week's issue of The Tribune it was forecast that seed cats would be in great demand owing to the shortage of the cat crop, which is the shortest in 25 years. It was further predicted that seed cats in the Peace River which stood the germination test would find a ready market.

W. Thompson, secretary and manager of the Peace River Co-operative Seed Growers' Association, who is in Edmonton, wires that he has arranged for the sale of 50,000 bushels of seed cats, shipment to be made to the province of Quebec.

Annual Meeting Of Ratepayers On Friday, Jan. 29

NEW HOSPITAL AT MUNICIPAL HOSPITAL.

GRANDE PRAIRIE marks another important milestone in its advancement with the opening last Wednesday of the substantial new home for the matron, nurses and staff of the Grande Prairie Municipal Hospital.

Modern treatment of the brick walls gives a first impression of massive solidity throughout its exterior appearance, an impression fully justified as one approaches the \$250,000 brick veneer building and senses an atmosphere of comfort and permanence in the finely finished, well-planned interior, the 67 by 32-foot three-story structure standing on a simply thick concrete foundation.

Though the architect, McCallum & McCallum of Edmonton, designed a somewhat austere front, devoid of all frills, in keeping with the modern trend, they incorporated, largely from plans suggested by Mrs. Sharpe, M.L.A., chairman of the Municipal Hospital Board, yet assistance and advice was frequently consulted, an interior arrangement which lends itself to greatest efficiency and saving of time, yet calmly restful and comfortable.

Four large bedrooms and one smaller take up the third floor plan along with two linen closets and a hallway leading to the fire escape. The room is throughout with electric baseboard outlets. Good light is supplied by large windows, which are double-hung for ideal ventilation.

Highly finished flooring of best grade B.C. fir was laid in all rooms, with oak thresholds at all doorways. Blending ideally with the white paint of the walls, the room is finished with a complete set of carpenter's work in moulded and mirror trim. Two-panel doors of nicely grained fir are closed in the hall.

The highest degree of sanitation and years of trouble-free service are assured with the installation of brass pipes for alcohol, plumbing, and the use of the best of materials. The room is finished with a complete set of carpenter's work in moulded and mirror trim. Two-panel doors of nicely grained fir are closed in the hall.

To flooring and walls of Portland cement have been added a coating of white enamel. In all bathrooms, and the whole finished in a gleaming white enamel.

Room radiators are provided in each room and are fed through an underground system of pipes in the hospital building.

Compact modern lighting fixtures grace the rooms throughout and many convenient combinations of switches have been installed to save the steps and time. A switch in the vestibule at the west end of the building leading to the hospital will light or close the circuit on all or all of the fixtures in the main floor and the basement.

Another point in the same hallway. Fixtures in stairways may also be controlled from various floors.

It is declared that the credit is due Miss Pearson for the happy choice of draperies and items of furnishings, which supply the right accent of contrast and attractive pattern blending to the entire collected furnishings.

Good Milling Wheat Can Be Grown In The Peace River

But Suitable Varieties Of Wheat And Best Cultural Practices Are Necessary—North Should Feature Oats, Malting Barley, And Grass And Legume Seeds, Says W. D. Albright, Superintendent Of Beaverlegue Experimental Sub-Station.

Without the full text of Dr. A. G. McCalla's discussion of the bread-making quality of northern wheat, it is difficult to understand the interest over the points by The Northern Tribune, should not like to dispute his statement for the Peace River. The interested worker who has been at pains to assemble his facts and it was my privilege in Edmonton during the last week of December to view leaves of wheat he had taken from northern fields of several varieties in comparison with leaves from the same varieties collected from the drier prairie areas. They could be no guarantee that in last volume and appearance the driest wheat gave a bad account of itself in comparison with Red Bobs.

Breadmaking quality is a product of three factors, soil, climate and variety. Other things being equal, a rich soil of the prairie type will grow much stronger flour than will a woodland-type soil. Again, things equal, a dry climate in a dry season will give a stronger flour than will a humid climate, or wet season, as we have recently experienced in the North. These factors make for flour fitting and high yield, though more or less, but it is a fact that the yield of flour is not a direct measure of the quality of the wheat. It is a fact that the yield of flour is not a direct measure of the quality of the wheat.

It is gratifying to know that Grande Prairie will be on this route, which is bound to develop in importance as time goes on.

Regular Air Service Edmonton-Yukon To Be Realized

Grand McConachie, president of the United Air Transport, by letter which arrived Friday informed Mayor Tooley that the company, which is now organizing a weekly passenger and mail service from Edmonton to Whitehorse via Dawson Creek, will be in the north by B. C. points.

At Whitehorse the United Air Transport will connect with the route to Alaska.

It is gratifying to know that Grande Prairie will be on this route, which is bound to develop in importance as time goes on.

OVER 1,000 HOGS SHIPPED FROM FT. ST. JOHN COUNTRY

Granton McCalla of Dawson Creek district, who is in charge of the train on route home from Edmonton, where he shipped a carload of cattle, said that he had shipped a carload of hogs. Mr. McCalla stated that there were over 1,000 pigs shipped from Dawson Creek from the Fort St. John country on the last truck train.

Dalglish Wins Challenge; Howard Dominion Event At Spirit River Bonspiel

Nomination Day To Be Held, Monday February 1st

Nomination day for city council will be held on Monday next, February 1st. All nominations must be in the hands of the secretary by 12 noon.

Mayor Tooley has not stated whether or not he will be a candidate for re-election. It is understood that the action will be determined by what transpires at the annual meeting.

Councillor Swallow, whose term expires, definitely stated in The Tribune that he will not run, although he is prepared to do so.

Councillors Porteous and Simpson are the other two members whose terms expire. The attitude of these councillors is not known at present writing. It is thought they will stand for re-election and their names stand.

Mr. Porteous, secretary, who is understood that he has left instructions with his friends to act for him.

Electoral officers will meet later, Monday, January 28. Election of school trustees will take place on the same day. There are two vacancies on the public school board.

Peace River Is Well Represented At U.F.A. Convention

The following arrived home on Tuesday's passenger train from Calgary: Mr. H. H. Allen, who was elected president of the U.F.A. U.F.A. Powell, Mr. and Mrs. L. J. Marshall, Mr. and Mrs. C. J. Hopkins, Mr. and Mrs. Norman Anderson, Norman Edgar, and Mrs. G. J. Marshall.

Mr. Powell, who is president of the Grande Prairie U.F.A., said the big question before the convention was whether the U.F.A. remain in politics or be simply an economic unit.

Still Honest People To Be Found In This Old World

The Tribune reporter was told the following story by a passenger while en route to Hays on Tuesday, which demonstrates that there are still honest people in this old world.

A man by the name of Ross from Edmonton was on the train. With thirty-one dollars in his pocket, all his earthly possessions, he got into a car and on the first pay day, little dreaming that he was about to find his pocket book on the floor of the car.

Frank, his name, Jack Franklin, who was on the train, found the pocket book and immediately turned it over to the conductor. Ross, driver, who was in the car, and through it, the driver, was found.

How was rewarded at his good fortune. Turning to the news, he remarked: "You see are honest men."

Wheat King Indignant At Statement of Dr. McCalla

(From Edmonton Bulletin)

Challenging statements made by Dr. A. G. McCalla, research assistant in the field crops branch of the University of Alberta, to the effect that northern Alberta's wheat is not good grain and that the north area, including the Peace River country, is not good wheat country, Herman Treble, once river district farmer and six times World Wheat Champion with wheat grown on his Peace River farm, has thrown down the gauntlet to the university professor.

Here and There

Russias has set up a \$4,000,000,000 budget, boosting her defence estimates for 1937 more than \$1,000,000,000 over last year.

Twenty-one out of 27 which held civic nominations in British Columbia recently elected their mayors by acclamation.

What was described as the first metropolitan daily newspaper published exclusively for children appeared from the press of Nichol Nichol, one of Toronto's great journalists.

Billionaires in the last 10 years have lost the Ontario workmen's compensation \$250,000,000, and this year will likely cost \$300,000,000, Hon. J. A. Faulkner, Ontario Health Minister, told a labor debate in the legislature.

Professor Delham Edgar, president of the Canadian Bookman's Association of Canadian Bookmen that membership had grown to 2,300. A year ago there were only two members, he said.

According to a recent survey of world stock conditions, prospects are for an upward trend of some duration in cattle values. The number of cattle in the world is estimated to have been gradually declining in recent years, due partly to efforts to conform to the terms of the League of Nations, and in some major producing countries beef production has been reduced, and in others increased production costs.

It is observed that price recovery has been much slower in cattle and other classes of commercial live stock, and that conditions are now strongly tending to restore equilibrium in that respect. While there was no upturn in the live stock market during 1936, a very substantial increase in domestic sales and in exports to both the United Kingdom and the United States increased the total gross revenue over the previous year by an appreciable extent. The reduction in tariff under the United States-Canada Agreement which took effect on January 1, 1936, contributed substantially to the revenue from exports.

Since the turn of the year the Canadian market has shown considerable activity and volume, and has been ascribed in part to the renewal of Canada's export trade with the United States and the resulting increase in cattle and calves, and as well to an acceleration of the movement of beef out of Canada after a temporary stoppage of supplies. One of the factors in the present market is the shortage of supplies of the market.

Cattle on winter feed for spring and early summer domestic and export market stock the feeder less than similar stock a year ago, and holding conditions have been substantially added a remarkably open fall and a mild early winter, and the result is a fairly well offset the higher cost of finishing. Prices in the United States market show a recent upturn as the result of conditions which tend to develop active competition for good quality beef, and the result is a fairly well offset the higher cost of finishing. OUR EMPIRE BOATS

One is always inclined to distrust anything that starts too well. There is a lot in the old race-course maxim that a slow starter is a strong finisher. Those who believe in the theory of the slow starter are not likely to be disappointed.

Grande Prairie and District Flying Club

One is always inclined to distrust anything that starts too well. There is a lot in the old race-course maxim that a slow starter is a strong finisher. Those who believe in the theory of the slow starter are not likely to be disappointed.

PEACE RIVER CO-OPERATIVE SE

BEZANSON NEWS

BEZANSON, Jan. 25.—After a few months of accurate weather forecasting, Jack Frost has at last located the Peace River, but even at that nobody is suffering, and if the weather should even get still colder we can take it.

WEDDING DANCE "BEST EVER"

On Friday, January 15, a hall full of people turned out to help Mr. and Mrs. Myron Parliash celebrate their wedding. Everyone being in a happy frame of mind possibly accounted in part for the fine evening's fun, which followed. Everyone present seemed to have one of the finer evenings of their lives. There were sleighrides of merry-makers present from all directions. At midnight an impromptu program was arranged, much to the delight of all present. The following persons took part: Will Ford and Ed Peirce, step dance; Miss Dorothy Peirce, tap dance; Miss Hilda Muttart, tap dance; Buster Carpenter, step dance; Miss Nix and Geo. Bow, vocal duet; Mr. O'Brien, piano; Geo. Bow, song; Joe B. step dance; Chas. Parliash, song.

After the program dancing was again resumed and kept up until the early hours, and so came to an end, an evening's fun and frolic that helped start one more couple out on the sea of matrimony with the best wishes of the community.

There are several cases of measles reported in the district, but no one very ill. The outbreak appears to be a very mild one.

Fred Ford left on Friday's train to visit friends in Calgary and Farnes Valley.

Miss Margaret Lewis returned to her home in Calgary after spending two weeks' vacation visiting friends in Lindsay and Bezanston districts.

Mr. Grant Lowe who has pretty well covered the entire East End with his grain cleaning machine, has decided to take a little vacation in Calgary visiting relatives, and while there intends attending the convention of school trustees.

Clare and truck still able to use the main roads and some of the side roads. Quite a contrast from the last five or six years.

SCHOOL MEETING QUIET

The annual meeting of Bezanston school was held at the school-house on January 16. While there have been times when the annual meeting has produced thrills, the 1937 meeting was quiet, only nine ratemakers present. Mr. Ed Allan was the retiring trustee. In Mr. Allan's place Mr. Chas. Johnston was the new trustee.

All ratemakers present were well satisfied with the efficient way in which the business of the school had been handled for the past year.

INJURED BY FALL FROM HORSE
We were all sorry to hear that Mr. H. S. Ford had met with an accident, one which sent him to hospital for a few days. It appears Ross was rounding up some horses when he was riding, fell, throwing Ross face foremost on the frozen ground. After some time he was able to get to his feet and finally reached the house, presenting a gruesome sight with the skin from his forehead hanging over his eyes and his face completely covered with blood. We can all imagine the impact when Ross, two hundred and forty pounds hit the ground. Here is hoping for a speedy recovery.

BACK FROM HOSPITAL

Mr. Pat Rooney, who was confined to the Grande Prairie Municipal Hospital for ten days, has returned home, feeling much improved in health, but will have to take it easy for some time. Be careful, Pat.

IN LOVING MEMORY

In loving memory of my dear husband, George Housfield, who departed this life on February 1, 1935.

Shall we know each other there
When we reach the Mansions fair?
Will our loved ones ever be
When we cross the narrow way?

Ah yes! A rapturous greeting is
In store
For us upon the Silken shore.
They, with the Saviour, I know
Will wait
Just inside the pearly gate.

In Christ our love will be complete
And we will worship at His feet.
Together before His throne we'll stand
And join the song of the ransomed band.
Inserted by his loving wife

VALLEYVIEW NEWS

VALLEYVIEW, Jan. 19.—Mr. and Mrs. P. Laurendeau of Calgary have announced the engagement of their daughter, Agnes, to Mr. O. P. Revendeau of Valleyview, son of Mr. and Mrs. P. Revendeau of Calgary. The marriage will take place February 5, at Calgary. Miss Laurendeau is the cousin of her sister, Mrs. Norma L. Chamberlin.

Monas, Hermann, Skog, Kreiger, Hestrom and Lindquist were hauling wheat to Hilda Prairie last week. They all reported frozen patches on their faces.

Mr. Hedley Huggard is expected home shortly from Edmonton, where he has been a patient in a local hospital.

Miss Mary Chidwell enjoyed a short holiday in Grande Prairie over Christmas, a guest of Mr. and Mrs. R. Lambert.

G. G. HOLDS ANNUAL MEETING

The annual meeting of the Community Club was held last week and a new committee elected. Things should hum for a while as a new committee always does things up.

HALL FINISHED

The community is feeling very proud of itself now since so many men turned up and finished the hall in time for this New Year's Eve hop. Our hall is looking very nice now and we are only a few dollars in debt. This was built largely by donation labor and in the depression era.

It goes to show what can be done when everybody gets back of a thing.

Mr. Jay K. Lassen has returned from Goldfields. There are only about five or six local men left up there now.

QUESTION OF THE DAY

The burning question still seems to be "Where will the Whitecourt road cut through here?" Does anyone know? It is always Sturgeon Lake that is mentioned, but why it will not come through here at all. Do wish Mr. Aberhart would send us a personal message about it, so that we could go back to our knitting with our minds at rest.

Mr. Roy Phalen was host to a number of his friends when he entertained at a dinner party recently.

MANY SHOOTING SQUIRRELS

A large number of local men are out squirrel shooting just now. The season being so short, they are making haste at the game. Mr. O'Brien and Mr. Dave Halliday have built themselves a cozy cabin about twenty miles from here. Mr. Nils Johnson and Gunnar, Pearson built a van on skis, so they also are comfortable at night.

HAVE EXCITING NIGHT

We heard that three local men put in an exciting night recently when a stove pipe fell out and set fire to their cabin in the squirrel country. It was put out three or four minutes later. No damage was done to the cabin, but a young man from one foot by dashing in and out for snow-baited. Oh, no, they weren't the least bit excited.

MOUNT SASKATOON

SCHOOL TRUSTEE ELECTED

MOUNT SASKATOON, Jan. 22.—Annual school meeting was held at the schoolhouse on Saturday, January 16, with sixteen people present. Ralph Pool and Al Von Der Ohe were nominated for the trustee place held by Carl Rose. Mr. Rose refused re-nomination. Al Von Der Ohe was elected with a vote of eight to seven.

The card sharks gathered Saturday night at Al and Von Der Ohe's to show their skill.

SEEN AND HEARD

George Kie in the barbershop business.

George says all the trouble comes from the school, a very difficult problem and somebody saying he saw a basketball which weighed a ton. Boy, oh boy, how are you?

CROOKED CREEK

CROOKED CREEK, Jan. 20.

Frank Diemer has started hunting wood for P. G. Honner.

Mr. Bailey went to Grande Prairie on business this week.

The Social Credit meetings in the town of 1937 were very poorly attended. It is hoped everyone will turn out for the one to be held on the 25th as there will be important matters discussed.

Yvon Bailey left this week for Grande Prairie where she expects to find employment.

Mr. Pete Shradie is on the sick list, we hear.

Mr. Henry Thudale was at George Bailey's all week, helping with the chores.

Hebert Gledits had the bad luck to lose his trapping cabin and provisions by fire on Friday.

A hard time dance will be held in the Ridge Valley school-house on February 12. We want everybody to come and bring their friends.

Mrs. Herman Wendt was a visitor at the Diemer home on Sunday.

Mr. Quicfall was in Deloit on Monday on business.

There are quite a few cases of measles in this district at the present time.

GORDONDALE

BIG TIME AT BIG DANCE

GORDONDALE, Jan. 14.—The much anticipated dance sponsored by Mr. H. Kirkness was a real dance—just like the old times of 20 and 30. The music was as it should be—could not be better. The crowd was in a hilarious mood, and it was not only enjoyable to the limit it was probably their own fault. Quite a lively bunch journeyed from Bezanston and the life they brought along helped considerably.

"POOR SOIL" HAS GOOD YIELD

After remaining silent during the Yuletide season the threshing machine is again in operation and some very good yields are being threshed. One field worthy of mention, owned by A. Michael, yielded approximately 30 bushels to the acre of No. 1 or 2—and that same piece of land was rejected by quite a few landowners as being absolutely no good. "Too white," they said. Now it has changed to a light color, and it is not a very big factor to be reckoned with if a landowner has the will power to stay with it.

HEARD AT THE DANCE

One married man, looking on Broadway, looking like a wife did not hear him. Another passing comment on the elevator was "The S. C. theory and many surmising whether they would be made practical or not."

Quite a few of the neighbors were exchanging social visits the last ten days, and visitors from neighboring points were the Radcliffers, Frida and Alvin, from Bezanston, visiting their brother Paul, and family, and Mrs. Pegg and family of Blueberry Valley.

Mr. Ed Robinson, who was severely frozen a while back, has lost eight toes to date and is afraid that he will have to have one toe taken off, as the bone is protruding nearly quarter of an inch.

Mr. A. Petraz, who has been ailing for a year with some complaint of the stomach, left yesterday for Peace Hospital.

LA GLACE NEWS

LEONARD WALTER HOPFIN

Many friends sympathize with Mr. and Mrs. H. Hopfin at the death of their infant son, January 12. Funeral services were held at North-West Church on January 15. Rev. Mr. Vikse of Valhalla church officiating. Many beautiful floral tributes were received.

JEAN HANSON

Jeann Hanson passed away at the Grande Prairie Municipal Hospital January 20. Left to mourn his loss are his beloved wife and one daughter, Nils, and many friends in this district besides relatives and friends in Sweden. The funeral services were held January 23 at North-West Church. Rev. Mr. Vikse officiating.

There are many people in the district ill with influenza.

Mr. H. Conrad of Chirchmont visited at the J. H. Webster home.

Miss Leona Nergaard has recovered from an operation in the Grande Prairie Municipal Hospital. She returned last Tuesday.

Two Buffalo Lakes rinks curled at La Glace rink Sunday, but were defeated in two games each.

WIN CRIBBAGE CUP

A big cribbage cup was held at the home of Mr. and Mrs. O. J. Anderson. There were 25 games in all. The lucky winners of the yearly challenge were Miss Olive Johnson and Mr. Alvin Hanson, both of Northfield. A dainty lunch was served and the entire evening greatly enjoyed by all.

SEEN AND HEARD

Alfred and his lady friend venturing to the curling rink.

Buckingham is picking up—windows blind are now on the windows of the cafe and it is said the name of "Lover Inn" has been changed to "Mistral Peak Inn."

Interesting News From Sexsmith

Vol. V, No. 32

R. A. MACLEOD

January 26, 1937

YOUNGSTERS HAVE BOX SOCIAL

A box social was held by the extremely younger set at the United Church on Monday afternoon last. Several games were played and the auctioneering of the boxes took place. Melville Sumner being in the role of the auctioneer. None of the young stars were allowed to bid over ten cents, that being the limit, one cent at a time. Eve Roberts was awarded the prize for best decorated box.

BRING HOME SOME OF THE "BACON" FROM SPIRIT RIVER

Both Sexsmith rinks that visited the Spirit River hospital came home with something to show for their efforts. L. C. Howard's rink won the Dominion Cup and what went with it, and Don Innes won second prize in the Merchants Consolation.

Most of the boys got home on the freight on Saturday, with the exception of L. C. Howard and Bill May, who arrived back on the passenger on Tuesday. It is rumored that Bill May discovered an affinity up there. Who is she, Bill?

F. & L. DANCE WELL ATTENDED

The dance given by the Farmer & Labor Association in their hall just west of Sexsmith on Friday night last was well attended, and everybody seemed to have enjoyed themselves. Kiratene's Orchestra provided the music.

This Association intends to put on another dance February 5, in the Kiratene Hall, Sexsmith.

MRS. SHARP OPERATED ON

Mrs. Bob Sharp entered the Grande Prairie Municipal Hospital last Friday and was operated on for appendicitis on Saturday. Dr. Gamble performed the operation.

"MILK SNAKES" IN TOWN

Apparently there is an epidemic of "Milk Snakes" in Sexsmith at present. Some owners of cows in the village find when going out in the morning to milking or storm, they started for the milk discover she has none to contribute.

where they broke down and left the car.

Mr. G. G. Reiswig went to Edmonton on the last stock train.

Walter Newfield has moved the shop he bought from Max to his place and is now very busy and will soon be ready for a big business in puffing cereals and making breakfast food.

Mr. A. Zippert went on last Tuesday's train to Edmonton on business.

Another business man stated this week that Peoria is one of the most prosperous sections in the Peace River.

Miss L. Wagonman is enjoying her visit here. She is staying at her former sister-in-law's place.

GOODWIN

GOODWIN, Jan. 25.—Well, here we are, still keeping the fire warm, and sneaking out once in a while to bring in an armload of wood.

The Goodwin Social Club had another successful meeting and dance on the 22nd. We had peppy music and lots of girls, so the boys kept it up until early morn.

Most of Goodwin's population went four miles east to Mr. Thomas Dixon's sale on Friday last. Reports are that everything went high.

Mr. and Mrs. Goodland were guests of Mr. Wm. Woods Sunday evening. They had supper and listened to the radio.

Mrs. Dixon and Art Bow both of Goodwin district, made a rushing business trip to Grande Prairie on Friday. They went with Mr. Lorne McArthur of DeBolt.

A large number are reported to be laid up with the mumps. Mr. Joe Lennox and family are the last ones reported sick.

Mr. and Mrs. James Bow of Grande Prairie are visiting relatives in Goodwin and DeBolt this last week. They also took in the dance here.

A good number of the farmers are busy hauling wood and getting it buzzed up for the summer.

SEEN AND HEARD

Billy Woods and his drums. Otto Kruse packing a wash basin under his arm.

Cecil Dobson explaining the School Act.

Joe Newman talking of buying a van.

Art Bow falling off the scaffold.

Bernard Lennox and his new accommodation.

Fredley rushing home for a shave at the dance.

THEIR STYLING SETS THE VOGUE
NEW 1937 CHEVROLET

Knowing that people have a habit of expecting great things from manufacturers of a leading car, we present with just pride the Completely New Chevrolet for 1937, a complete car in the lowest price field. General Motors created the new, thrilling Diamond Cross speedline beauty that, except to leadership in equipment, only a few hours after it had been out on the streets of southern cities. Every tested Chevrolet feature of other years improved. Brakes, steering, brakes, fuel, further safety, even last year's sliding knee-action ride is bettered, entirely new kind of Uni-Flex turret top body, new valve-in-head air-compression engine.

See—ride—then you'll decide that the Complete Chevrolet—Completely New—offers you everything you want in your 1937 car... at the price you wish to pay.

HORSE BREEDERS BUY TWO FINE STALLIONS

Two exceptionally fine stallions have just been purchased by the horse breeders' associations at Hualien and Beaver Lodge. These horses are among the finest obtainable in Alberta and should do much to improve the quality of the horses being raised in these sections of the province.

The Hualien group secured the aged Clydesdale stallion, *Emigrant's Master*, which has been owned by the provincial government and has been the sire at the Oliver Institute farm. This animal, which weighs over 2,000 lbs. and was taken from the late Toronto exhibition, which is sufficient indication of the quality and type of the animal secured.

The Beaver Lodge Horse Breeders' Association secured the stallion *Black Knight*, a jet black Belgian horse weighing over 2,000 lbs. and only five years of age. Considering the favor in which Belgian horses are held, this animal was to be congratulated upon securing such a good breeding animal. Both of the above groups are awaiting the arrival of these stallions, which are as yet outside.

The ceremony was witnessed by Margaret Ann Goddard and Margaret Elizabeth Goddard.

A Fatal Good Turn
An attempt to remove a high tension wire which he found lying across a path in Point Pelee National Park following a storm proved a fatal good turn for 10-year-old Wolf Cub Gordon Smith of Windsor, Ontario. Apparently attempting to draw the wire out of the way of other persons the lad had gotten it with a stick, when the wire slipped up and tore to his hand, killing him instantly.

CJCA NEWS

SONGS OF YESTERYEAR—how easily we often grasp and opportunity to hear them over again—songs that have stirred up deeply on some dim page of the past—songs indelibly stamped upon our memory. Songs of Yesteryear is one of the most popular of the Sunday programs ever. CJCA, a radio fifteen minutes of something new brought to the radio audience at 4:45 p.m.

YOUR HOME is probably the most important place in your life. As a matter of fact, we're sure it is. And title of one of the many new features CJCA inaugurates February 1. It brings the housewife and the man-of-the-house many new ideas on the care of the home, together with a nicely balanced menu of classical, semi-classical and some of the better popular music. It is broadcast every Tuesday and Thursday at 2:45.

AMONG OTHERS new features are two which should find a keenly responsive audience in many homes. "Secrets of the Prairie" and "The Prairie People" together discuss the psychological problems of the average person in a simple, human manner. "Hits and Encores" a smart musical program of current new favorites and a review of many of the old ones. The former alternates with Your Home at 2:45 on Mondays, Wednesdays, and Fridays, while the latter is a daily feature at 8:15 a.m.

A VIOLENT hurricane . . . shipwreck on a reef . . . will a timely raft . . . a life-saving force . . . an exciting experience in Robinson Crusoe R. are bringing the children home from school and keeping them thoroughly enthralled with the most adventuresome tale. It's just what the kiddies love. This lively feature comes to them every Tuesday night at 7:30. The main character, which Buck Rogers appears on Friday. Buck is still a very popular favorite.
